

Reed Cooper Bursary Criteria for Applicants

The bursary has been created for established visual artists of any medium as a boost to the development of their career by further studies, setting up an exhibition of their work, research, travel, taking advantage of a professional development opportunity. Whatever the proposal, the terms of the bursary are that it is awarded as a furthering of development in the artist's knowledge or a completed project.

Fulfills the criteria of the statement shown above.
Is a current member of DAC?
Is a current resident of Dufferin County?
Is a mid-career established artist?
CV shows list of experiences and awards?
Application complete and financial details present?

A rating scale will be used to evaluate the following criteria with 5 being the highest rating, and 1 as the lowest.

Goal

Benefit to artistic growth
Benefit to others/community

Chance of Success

Outcome/Potential for excellence
Measurable result - Show/Presentation
Has a unique and cohesive body of work
